

WHO WE ARE

Heir Media is a full service creative agency based in Wilmington, NC. specializing in film production, publishing, brand design, web design, game development, and animation. We make it our mission to help you create a brand that is consistent across every platform, and that tells your story the way you've always envisioned. This approach allows us to tackle most projects with innovation and creativity; while also completing the projects in excellence. We pride ourselves on our 'story-first' approach (which we've found helps brands come across as more friendly and accessible); and we firmly believe in our motto: "Your Vision. Our Skill."

Your Vision. Our Skill.

From commercial spots, to onboarding and company culture videos; we can help your business reach their desired audience through creative videos to be used for both marketing and in-house needs.

Or, if your particular idea may need a different approach— and sometimes a longer format (whether serial or feature length)— we can help you. From script to screen, let us help you bring life to your ideas.
