

# HEIR MEDIA. CONSULTING MADE EASY.

## CONSULT WITH HEIR MEDIA

Reaching your maximum potential requires vision, planning, and execution. Let us assist you with making your vision successful through planning and execution. We help both for-profits and non-profits reach their goals. For non-profits, we understand that they have the need for frequent and appropriate communications with donors; the need to grow, manage, and engage volunteers, in addition to efficiently managing the logistics involved in delivering your services to your constituents.

## SERVICES

To address your company's (brands) needs, we provide a variety of services to help you achieve your goals:

- Project management
- Business planning and transformation
- Organizational Assessments
- Vendor assessment and selection
- Software Assessments
- Short-term operational support
- Board presentation support
- Help Desk Services
- Staff Training
- Support Retainer

## ABOUT US

At Heir Media, we appreciate the trust you put in us when you hand us the keys to your IT kingdom. Our consultants are strategic thinkers with years of experience in both IT and business. Our specialty is custom-made solutions for how you work, sell, and grow. We think this is important, because at the end of the day, IT is about people, not computers.
